

# Do You Know A Child Or Teenager Who Needs Health Care Coverage?

**The West Virginia Children's Health Insurance Program (WVCHIP) is one way working families can get full medical coverage for their kids.**

**There is no cost to apply and no premiums or deductibles to pay. WVCHIP covers services important to growing children, such as yearly check-ups, vision, dental, immunizations, primary care and prescription drugs.**

**Call 1-877-WVA-CHIP for more information or apply online at [www.wvinroads.org](http://www.wvinroads.org).**

# Income Guidelines (Before Taxes) To Qualify For CHIP\*

Family Size	Maximum Yearly Income (brand drug co-pay only)	Maximum Yearly Income (co-pays apply)
2	\$19,245	\$25,660
3	\$24,135	\$32,180
4	\$29,025	\$38,700
5	\$33,915	\$45,220
6	\$38,805	\$51,740

\*Applicants can qualify for several income deductions. This could help a family qualify for CHIP, if their family income is above the maximum limit. Call the toll-free helpline for more information.
